

Certificate of Registration

PricewaterhouseCoopers LLP has assessed whether the management system at

Durgin and Crowell Lumber Co., Inc.

231 Fisher Corner Rd, Springfield, New Hampshire, 03284, USA

meets the requirements of the standard noted below (the Requirements).

Sustainable Forestry Initiative® (SFI) 2022 Fiber Sourcing Standard

Scope of Certification

Fiber sourcing practices at the wood products manufacturing facility located in Springfield, NH.

Management is responsible for ensuring the management system meets the Requirements. Our responsibility is limited to assessing whether management has demonstrated that the Requirements were met. Our assessment was conducted in accordance with ISO 17021 management system assessment standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met.

A description of our responsibilities for the assessment of the management system is located at www.pwc.com/ca/certificate. The SFI standard can be found at www.sfiprogram.org.

Based on our assessment, the management system met the Requirements, in all material respects, as of December 1, 2025.

The validity of this certificate is subject to satisfactory annual maintenance assessments.
